**Level of Risk**

Low	Capital security is a priority, limited growth
Low to Medium	Some capital security alongside the possibility of long-term investment growth
Medium	Long-term growth is the priority, based on a wider spread of investment sectors
Medium to High	A narrower investment sector and the funds can go up and down by greater amounts
High	Potential for high long-term growth but also the highest risk of capital loss

Unit prices on all funds can go down as well as up.
