It was registered under the Companies Acts 1862 to 1890 as an unlimited company with its current name, The Equitable Life Assurance Society, on 18 August 1892. The Transferor is authorised by the PRA with permission under Part 4A of FSMA to effect and carry out contracts of long-term insurance in the United Kingdom under classes I-IV and VI-VII set out in Part II of Schedule 1 to the RAO.
- 2.2 Canada Life Limited (the **Transferee**) was incorporated in England on 25 February 1970 under the Companies Act 1948 as a private company limited by shares under the name The Manufacturers Life Insurance Company (U.K.) Limited. On 18 May 1995, The Manufacturers Life Insurance Company (U.K.) Limited changed its name to The Canada Life Assurance Company (U.K.) Limited by special resolution.  - (b) if the Royal Court does not sanction the transfer of any Transferred Jersey Policies pursuant to this Jersey Scheme, despite having the jurisdiction to do so, or if this Jersey Scheme is sanctioned by the Royal Court but the transfer of any Transferred Jersey Policies does not become effective by the Effective Date, then such Jersey Policies shall, with effect from the Effective Date, be reassured to the Transferee under the Residual Policies Reassurance Arrangement. Each such Jersey Policy shall cease to be a Residual Policy under the UK Scheme, and shall cease to be so reassured, on the earlier of (i) the Subsequent Transfer Date applicable to such policy at which point any such policy shall become a Transferred Policy, or (ii) the termination of the Residual Policies Reassurance Arrangement at which point any such Jersey Policies which are still Residual Policies shall cease to be Residual Policies and shall become Excluded Policies.

Without prejudice to such entitlement, if the Transferee is not at the time of the exercise of such right or option writing policies complying exactly with the policy to which such person is entitled pursuant to the right or option, the Transferee shall be entitled to offer to such person as an alternative (and, if accepted, in lieu thereof) the policy commonly offered by the Transferee or any other member of the Transferee Group which the Transferee in its absolute discretion considers to be the nearest equivalent policy of the Transferee or such other member of the Transferee Group (as the case may be) at that time.

- 5.4 All references in any Transferred Policy (and, in relation to any Transferred Group Pension Policy Elements comprised within a Group Pension Policy, all references in that Group Pension Policy in relation to the Transferred Group Pension Policy Elements) or any other agreement or document to the extent that, in each case, it refers to the Transferred Business (including in a contract to which the Transferor is party, a contract to which the Transferor is not party or elsewhere and whether in writing or not) to the Transferor, the Transferor Board, the Transferor Actuary or any other officers, employees or agents of the Transferor shall, with effect on and from the Effective Date, be read as references to the Transferee, the Transferee Board, the Transferee Actuary or any other officers, employees or agents of the Transferee respectively. In particular, but without limitation, and subject to the other provisions of this Scheme, all rights and duties exercisable or expressed to be exercisable or responsibilities to be performed by the Transferor, the Transferor Board, the Transferor Actuary or any other officers, employees or agents of the Transferor in relation to any of the Transferred Policies or any other agreement or document to the extent that, in each case, it refers to the Transferred Business (including in a contract to which the Transferor is party, a contract to which the Transferor is not party or elsewhere and whether in writing or not), shall, with effect on and from the Effective Date, be exercisable or required to be performed by the Transferee, the Transferee Board, the Transferee Actuary or any other officers, employees or such agents of the Transferee respectively. All references in a Transferred Policy to the Transferor Group shall, where the context requires, be read and construed

with effect from the Effective Date as references to the Transferee Group. For the avoidance of doubt, this paragraph 5.4 shall have no effect on any agreement or document to the extent that, in each case, it refers to the Excluded Policies, the Excluded Assets or the Excluded Liabilities.

- 5.5 Without prejudice to the generality of paragraph 3.1(a), where the benefits of any Transferred Policy are held under the terms of a trust, such terms together with any rules applicable to any pension scheme in the case of any pension scheme under which benefits are referable to a Transferred Policy, shall operate and be construed, with effect on and from the Effective Date, on a basis which is consistent with the transfer of such Transferred Policy in accordance with the provisions of this Scheme. For the avoidance of doubt:
- (a) where the consent of the Transferor is required under any such terms, the consent of the Transferee shall, with effect on and from the Effective Date, instead be treated as required; and
 - (b) where a power to appoint trustees under such terms is conferred on the Transferor, that power shall, with effect on and from the Effective Date, instead be treated as conferred on the Transferee.
- 5.6 The transfer of any rights, benefits, liabilities and obligations under or in connection with any Transferred Policy, Transferred Asset, Residual Asset, Transferred Liability or Residual Liability pursuant to this Scheme shall take effect and shall be valid and binding on all parties having any interest in the same notwithstanding any restriction on transferring, assigning or otherwise dealing with the same and such transfer shall be deemed to take effect on the basis that it does not contravene any such restriction and does not give rise to any right to terminate, modify, acquire or claim an interest or right, or to treat an interest or right as terminated or modified.
- 5.7 With effect on and from the Effective Date and without any further act or instrument, each Group Pension Policy shall be construed at all times so that:
- (a) the Transferee has all rights and liabilities arising in connection with or pursuant to the Transferred Group Pension Policy Elements subsisting or outstanding on the Effective Date; and
 - (b) the Transferor retains all Non-Transferred Group Pension Policy Elements,
- provided that (i) the Transferee shall only acquire such rights or liabilities referred to in paragraph 5.7(a) as are respectively Residual Assets or Residual Liabilities in accordance with paragraph 3 on the respective Subsequent Transfer Date relating thereto and (ii) the Transferee shall in no event assume any liability as is referred to in paragraph 5.7(a) which is an Excluded Liability.
- 5.8 In accordance with, but without prejudice to the generality of, paragraph 5.7, each Group Pension Policy shall be construed, with effect on and from the Effective Date, so that:
- (a) the Transferor and the Transferee are each a party to the Group Pension Policy, the Transferor in the capacity of the insurer of the Non-Transferred Group Pension Policy Elements and the Transferee in the capacity of insurer of the Transferred Group Pension Policy Elements;
 - (b) the Transferor retains all rights and liabilities under the Group Pension Policy except to the extent that rights and liabilities thereunder relate to the Transferred Group Pension Policy Elements, in which case the Transferee shall have those

rights and liabilities (other than the Excluded Assets and the Excluded Liabilities, which shall be retained by the Transferor);

- (c) the Transferor shall (to the exclusion of the Transferee) provide any services, information and documents required to be provided under the Group Pension Policy, other than services, information or documents relating to the Transferred Group Pension Policy Elements, which shall be provided by the Transferee (to the exclusion of the Transferor), save that the Transferor shall provide any such information relating to the Excluded Assets and the Excluded Liabilities;
- (d) the Transferor shall (to the exclusion of the Transferee) be responsible for receiving any information or instructions that may be given under the terms of the Group Pension Policy and for updating such information and implementing such instructions in accordance with, and subject to, the terms of the Group Pension Policy, save that the Transferee shall (to the exclusion of the Transferor) be responsible for receiving any information or instructions that may be given in relation to the Transferred Group Pension Policy Elements under the terms of the Group Pension Policy and for updating such information and implementing such instructions in relation to the Transferred Group Pension Policy Elements in accordance with, and subject to, the terms of the Group Pension Policy;
- (e) the Transferor shall (to the exclusion of the Transferee) retain any right, subject to the terms of the Group Pension Policy and all applicable regulatory requirements, to exercise any discretionary power or make any decision in relation to the administration of the Group Pension Policy, save to the extent that any such rights relate to the Transferred Group Pension Policy Elements, in which case the Transferee shall (to the exclusion of the Transferor) have that right;
- (f) the Transferor shall (to the exclusion of the Transferee) retain any obligation to issue a new, replacement or additional policy required to be issued under the terms of any option or right under the Group Pension Policy, save to the extent that any such obligation relates to the Transferred Group Pension Policy Elements, in which case the Transferee shall, in accordance with and subject to paragraph 5.3 (to the exclusion of the Transferor), have that obligation unless that obligation arises from an Excluded Liability;
- (g) the Transferor and the Transferee shall each have separate obligations as insurer under the Group Pension Policy as allocated pursuant to this Scheme and shall be neither jointly, nor jointly and severally, liable for the same obligation under the Group Pension Policy;
- (h) neither the Transferor nor the Transferee shall exercise any right, power or discretion to agree to any amendment to a Group Pension Policy which in any such case may have an effect on the other without the prior written consent of the other; and
- (i) without limitation to paragraph 5.8(h), the Transferor shall not agree to any amendment, modification or variation, including any increment, being made to any Transferred Policy without the prior written consent of the Transferee.

6. UNIT-LINKED POLICIES

6.1 On and with effect from the Effective Date:

- (a) benefits under each Transferred Policy which is a Unit-Linked Policy shall become linked to such Linked Fund(s) of the Transferee as the Transferor and the

Transferee shall agree in writing prior to the Effective Date providing reasonably equivalent investment exposure to the Linked Fund(s) of the Transferor to which the relevant Transferred Policies were linked immediately prior to the Effective Date;

- (b) the Transferee shall allocate to each Transferred Policy which is a Unit-Linked Policy units in the relevant Linked Fund(s) of the Transferee such that the aggregate value of the units used to calculate unit-linked annuity payments under that Transferred Policy as at the Effective Date is the same as the aggregate value of the units in the relevant Linked Fund(s) of the Transferor that are used to calculate unit-linked annuity payments under that Transferred Policy immediately prior to the Effective Date, where each aggregate value is calculated using the relevant unit bid prices on the Effective Date for the relevant Linked Fund(s) of the Transferee and the relevant Linked Fund(s) of the Transferor; and
- (c) subject always to the provisions of this paragraph 6, the Transferee shall become entitled to the same rights and powers and be subject to the same duties and liabilities as applied to the Transferor in relation to any benefits under Transferred Policies which are Unit-Linked Policies.

6.2 Any Transferred Policyholder affected by the operation of paragraph 6.1 shall be entitled to make one switch in respect of each Linked Fund to which each Unit-Linked Policy which they hold is linked pursuant to paragraph 6.1, even where such switch is not permitted under the terms of the relevant policy, from the Linked Fund(s) in which they are allocated units pursuant to paragraph 6.1 to such other Linked Fund(s) then offered by the Transferee as the Transferred Policyholder may determine, provided such switch is effected within 12 months following the Effective Date.

6.3 The Transferee shall waive any switching or other charge that would otherwise apply as a consequence of a switch made pursuant to paragraph 6.2.

6.4 Paragraph 6.2 shall be without prejudice to any entitlement to effect a switch which a Transferred Policyholder may have under the terms of their policy.

7. **MANDATES**

7.1 On and with effect from the Effective Date, all premiums attributable or referable to the Transferred Policies shall be payable to (and receivable by) the Transferee.

7.2 Any direct debit mandate, standing order or other instruction in force immediately prior to the Effective Date and providing for the payment by a bank or other intermediary of premiums or other amounts payable to the Transferor under or in respect of any Transferred Policy shall on the Effective Date take effect as if it had provided for and authorised such payment to the Transferee.

7.3 Any mandate or other instruction in force on the Effective Date as to the manner of payment by the Transferor of any sum payable under any Transferred Policy shall continue in force as an effective instruction or authority to the Transferee.

8. **RESIDUAL POLICIES**

8.1 Subject to paragraph 8.3, the Residual Policies shall not be transferred to the Transferee by this Scheme and all liabilities attributable to the Residual Policies shall remain liabilities of the Transferor and be fully reassured with effect from the Effective Date on the following basis:

- (a) all liabilities of the Transferor attributable to the Residual Policies shall be reassured in their entirety by the Transferee on and with effect from the Effective Date;
 - (b) the claims payable by the Transferee to the Transferor in connection with the provision of the reinsurance shall be payable on a monthly basis;
 - (c) the liability of the Transferee on the Effective Date shall be such that the rights, benefits and powers provided to holders of the Residual Policies shall to the extent possible, be the same as the rights, benefits and powers which would be provided to such holders if the Residual Policies had been Transferred Policies;
 - (d) the premiums payable by the Transferor to the Transferee in connection with the provision of the reinsurance described in this paragraph 8.1 shall be deemed to have been satisfied by the transfer to the Transferee of the appropriate proportion of the Transferred Assets, with the exception that all subsequent premiums received by the Transferor in respect of such Residual Policies at any time after the Effective Date shall be paid to the Transferee as soon as practicable after they are received;
 - (e) administration in respect of any Residual Policies will be carried out by the Transferor or its nominee to the same standard as applied in the 12 calendar months prior to the Effective Date;
 - (f) the parties may agree in writing to terminate the Residual Policies Reassurance Arrangement at any time and either party may terminate the Residual Policies Reassurance Arrangement by notice in writing to the other at any time after the date falling 12 calendar months after the Effective Date (in the event that it has not terminated before then);
 - (g) upon termination of the Residual Policies Reassurance Arrangement pursuant to paragraph (f) above, the rights and obligations of the Transferor and the Transferee pursuant to paragraphs 8.1(a) to 8.1(e) (inclusive) shall terminate with immediate effect; and
 - (h) on any termination of the Residual Policies Reassurance Arrangement, the Transferee shall pay to the Transferor an amount calculated on the basis agreed by the Transferor and the Transferee in writing prior to the Effective Date.
- 8.2 The parties may agree in writing to amend the terms of the Residual Policies Reassurance Arrangement, in which event the provisions of this paragraph 8 shall be deemed to be amended accordingly, provided always that such amendments shall not prejudice the interests of any policyholder of a Residual Policy.
- 8.3 If at any time before the Residual Policies Reassurance Arrangement is terminated in accordance with paragraph 8.1 all consents, orders, permissions or other requirements for the transfer or novation of a Residual Policy from the Transferor to the Transferee are obtained, such Residual Policy shall, by the Order and without any further act or instrument, be transferred to the Transferee, and shall thereafter be treated in all respects, as if it were a Transferred Policy and not a Residual Policy.
- 8.4 In accordance with paragraph 8.3:
- (a) Guernsey Policies shall be treated for all purposes of this Scheme as if they were Transferred Policies with effect from the Guernsey Effective Date and shall be

transferred to and vested in the Transferee by the Order (in addition to any order of the Royal Court of Guernsey) with effect from the Guernsey Effective Date; and

- (b) Jersey Policies shall be treated for all purposes of this Scheme as if they were Transferred Policies with effect from the Jersey Effective Date and shall be transferred to and vested in the Transferee by the Order (in addition to any order of the Royal Court of Jersey) with effect from the Jersey Effective Date.

9. **DECLARATION OF TRUST BY THE TRANSFEROR**

- 9.1 The Transferor shall from the Effective Date (but save to the extent that giving effect to such a trust would require a consent or waiver which has not been obtained or that such a trust would not be recognised by any applicable law or that the parties agree in writing not to give effect to such a trust for any reason) hold any Residual Asset, together with any proceeds of sale or income or other right accrued or return arising in respect thereof, as trustee for the Transferee.
- 9.2 The Transferor shall be subject to the Transferee's reasonable directions in respect of the Residual Assets from the Effective Date until the relevant asset is transferred to or otherwise vested in the Transferee or disposed of (whereupon the Transferor shall account to the Transferee for the proceeds of the sale thereof), and the Transferee shall have authority to act as the attorney of the Transferor in respect of such property for all such purposes.
- 9.3 In the event of any payment being made to, property being received by, or right being conferred upon the Transferor on or after the Effective Date in respect of any Transferred Asset or any Residual Asset, the Transferor shall, as soon as is reasonably practicable after its receipt, pay over the full amount of such payment or (to the extent to which it is able to do so) transfer such property or right to, or in accordance with the directions of, the Transferee.

10. **INDEMNITIES IN FAVOUR OF THE TRANSFEROR**

- 10.1 With effect from the Effective Date until the relevant Subsequent Transfer Date, the Transferee shall discharge on the Transferor's behalf or, failing that, shall indemnify the Transferor against:
 - (a) charges, costs and claims arising in respect of any Residual Liabilities which are liabilities of the Transferor (other than liabilities which are the subject of paragraph 10.1(b) or paragraph 10.2) until the relevant liability is transferred to or becomes a liability of the Transferee; and
 - (b) any amount paid by the Transferor in respect of any Residual Liabilities of the Transferor which are, whether wholly or in part, the subject of a policy of indemnity insurance or a claim or right of recovery against a third party, but only to the extent that the Transferor, having made a claim under such a policy or against such third party, shall have failed to recover any such amount pursuant to rights it may have under such policy, claim or right of recovery (having used reasonable endeavours to do so).
- 10.2 The Transferee shall indemnify the Transferor against any costs and/or expenses which it may incur in pursuing any claim under any such policy of indemnity insurance or against any such third party as is referred to in paragraph 10.1(b). Subject thereto, the Transferor shall take such steps as the Transferee shall reasonably require in order to pursue the rights it may have under any such policy of indemnity insurance or against any such third party. The Transferee shall be entitled, upon notice to the Transferee, to have conduct of

all litigation or other proceedings in respect of any such claim. In that connection, the Transferor shall give all such assistance as the Transferee may reasonably require in conducting any such proceedings.

- 10.3 The indemnities given by the Transferee under paragraphs 10.1 and 10.2 are given on the basis that the Transferor will use reasonable endeavours to mitigate its charges, costs and claims for which indemnification may be sought under paragraphs 10.1 and 10.2 and the Transferee's obligations under paragraphs 10.1 and 10.2 shall not apply in respect of any liability, charge, cost or claim covered by the Residual Policies Reassurance Arrangement.
- 10.4 For the avoidance of doubt, the Transferee shall not be required under paragraph 10.1 above to discharge or indemnify the Transferor against Excluded Liabilities, any Excluded Policies or any charges, costs, claims or other liabilities in respect of Excluded Liabilities, or any Excluded Policies and in particular, but without limitation, the Transferee shall not be required to discharge or indemnify the Transferor against any Tax liabilities of the Transferor.

PART D - MISCELLANEOUS PROVISIONS

11. EFFECTIVE DATE

- 11.1 Subject to paragraph 11.4, this Scheme shall become effective at 00.01 GMT on 19 February 2016 or such other time and date as the Transferor and the Transferee may agree (being a time and date after the making of the Order), provided that if such time and date for the Scheme to become operative is after 00.01 GMT on 19 February 2016, the provisions of paragraph 11.2 shall apply.
- 11.2 If the Transferor and the Transferee agree that the transfer of the Transferred Business to the Transferee should become effective after 00.01 GMT on 19 February 2016, the Transferor and the Transferee must apply to the Court for a further order specifying such time and date after 00.01 GMT on 19 February 2016 upon which, subject to the consent of the Court, this Scheme shall become operative, provided that in any such case:
- (a) the Insurance Regulators shall be notified in advance and as soon as reasonably practicable of, and shall have the right to be heard at, any hearing of the Court at which such application is considered;
 - (b) such application shall be accompanied by a supplementary report from Mr Nick Dumbreck of Milliman or any other independent expert approved pursuant to section 109(2)(b) of the FSMA to the effect that in his opinion the proposed amendment will not materially adversely affect the holders of Transferred Policies or Residual Policies or Excluded Policies or policies of the Transferee (including the security or reasonable expectations of such policyholders); and
 - (c) a notice of the making of such order is published on the websites of the Transferor and the Transferee within 5 days of the making of such further order.
- 11.3 Unless this Scheme shall become effective in its entirety on the date determined in accordance with paragraph 11.1, it shall lapse.
- 11.4 This Scheme shall not become effective on the Effective Date unless on or prior thereto the Tax Clearances satisfactory in form and content to both parties, acting reasonably, have been obtained or unless the parties otherwise agree.

12. MODIFICATIONS OR ADDITIONS

- 12.1 The Transferee and the Transferor may consent for and on behalf of themselves and all other persons concerned to any modification of or addition to this Scheme or to any further condition or provision affecting the same which, in each case prior to its sanction of this Scheme, the Court may approve or impose, provided that any such modification, addition, condition or provision which is material to the Scheme may only be made with the consent of the Insurance Regulators.
- 12.2 Subject to paragraphs 12.3 and 12.4, at any time after the sanction of this Scheme, the Transferee and the Transferor shall be at liberty to apply jointly to the Court for consent to amend its terms, provided that in any such case:
- (a) the Insurance Regulators shall be notified of, and have the right to be heard at, any hearing of the Court at which such application is considered; and
 - (b) such application shall be accompanied by a certificate from an independent actuary to the effect that in his opinion the proposed amendment will not adversely affect the security or adversely affect the reasonable expectations of the holders

of Transferred Policies or Residual Policies or Excluded Policies or policies of the Transferee, in each case as they stood before the implementation of the proposed amendment.

If such consent is granted, the Transferee and the Transferor may amend the terms of this Scheme in accordance with such consent.

12.3 The consent of the Court shall not be required in relation to:

- (a) minor and/or technical amendments to the terms of this Scheme (including amendments to correct manifest errors) that may be agreed by the Transferor and the Transferee in writing, provided that the Insurance Regulators have been notified of the same at least 28 days in advance of the amendment being made and have not objected (unless the Insurance Regulators have confirmed non-objection prior to that date); or
- (b) amendments to the terms of the Scheme which are reasonably considered by the Transferor Board (in the case of the application of this Scheme to the Transferor) or the Transferee Board (in the case of the application of this Scheme to the Transferee) to be necessary to ensure the provisions of this Scheme operate in the intended manner in circumstances where the provision to which the proposed variation applies will be materially affected by a variation to Regulatory Requirements (including the introduction of Solvency II) (in this paragraph a "**Regulatory Change**"), provided that:
 - (i) each of the Insurance Regulators has been notified of the proposed amendments by the Transferor or the Transferee (as the case may be) and has not objected thereto within 60 days of such notification; and
 - (ii) an independent actuary has provided the Transferor (in the case of the application of this Scheme to the Transferor) or the Transferee (in the case of the application of this Scheme to the Transferee) with a certificate to the effect that in his opinion the implementation of the proposed amendments will not have an adverse effect on the security or reasonable expectations of holders of Transferred Policies or Residual Policies or Excluded Policies or policies of the Transferee, in each case as they stood before the implementation of the Regulatory Change.

12.4 The consent of the Court or the Insurance Regulators shall not be required in relation to the amendment or termination of the Residual Policies Reassurance Arrangement provided that such amendment or termination shall be in accordance with the provisions of paragraph 8.

13. **COSTS AND EXPENSES**

Except as otherwise agreed in writing, the Transferor and the Transferee shall bear their own costs and expenses in relation to the preparation and carrying into effect of this Scheme, whether before or after the Effective Date.

14. **THIRD PARTY RIGHTS**

A person who is not a party to this Scheme may not enforce any term of this Scheme pursuant to the Contracts (Rights of Third Parties) Act 1999.

15. **GOVERNING LAW**

This Scheme is governed by, and shall be construed in accordance with, English law.
